

## ***Pictorial Digital Projected Image Submission Information.***

Image submission for all of the Digital Projected Image Competitions are to be made by e-mail.

The procedures to submit images for the Pictorial Digital Projected Image competition breaks down into four steps.

Step one, prepare the image for competition: The image must not exceed 768 pixels in height and 1024 pixels in width. *(Included are procedures to use Photoshop to size and save an image for submission.)*

Step two, name the image with the proper information to identify the submission properly. *(Included are procedures used to name the image)*

Step three, attach the images to an e-mail and submit to the proper e-mail address.

You will receive a submission results e-mail in return.

For CPI competitions the submission should be sent to [cacca.cpi@gmail.com](mailto:cacca.cpi@gmail.com)

For ARI competitions the submission should be sent to [cacca.ari@gmail.com](mailto:cacca.ari@gmail.com)
